The front panel of the LifeCare Medical Transport unit features a variety of control buttons and a digital display. The buttons are organized into two rows. The top row includes buttons for HT/AC, FAN HIGH, FAN MED., FAN LOW, OXYGEN SOLENOID, and a digital display showing '02'. The bottom row includes buttons for MODULE MASTER, LEFT DOME, RIGHT DOME, ACTION AREA, EXHAUST FAN, INVERTER, and VACUUM. A red arrow points to the digital display, which is labeled 'see View B'.
